

## Wall Mount Bracket

### Convenient Wall Mount Frame

Securely install your compatible Lorex cameras onto a wall anywhere around inside or outside your home with the wall mounting bracket. Compatible with certain Lorex security cameras, it is designed to blend in with the aesthetics of your home or business while granting you easy access for troubleshooting or upgrades.

#### Easy Installation

- Simply attach the security camera to the mount with the included screws and bolt. Adjust the camera to the desired angle for proper coverage.

#### Sturdy Construction

- Built of durable aluminum alloy metal, it has a load-bearing capacity of 4.4lbs/2kgs.

#### Weather-resistant

- The weather-resistant design protects the cable connection from extreme temperature variations, rain, and harsh wind.
