Fusion Collection

Wired Video Doorbells

See who's at the door, get the door from anywhere, play pre-recorded messages when someone rings, and communicate with people on the other side. Store video footage locally with no monthly subscription fees.

Fusion Technology

Combine Wired and Wi-Fi Cameras on the same system. Lorex's award winning Fusion Collection is a set of Recorders and wireless devices united by our Lorex App.

Person Detection

Be aware of activity around your doorstep with Person Detection. Get an instant notification from the Lorex Home app when motion from a Person is detected.

2-Way Communication

Use the 2-Way Talk via the Lorex app to talk and listen to the person on the other end of the camera.
