

LOREX® 4K ULTRA HD SMART DETERRENCE IP DOME CAMERA WITH SMART MOTION DETECTION PLUS

Superior Resolution, Smarter Security

Experience what true 4K has to offer, with superior resolution and an added level of clarity. Using Smart Deterrence, set the motion-activated warning light to only be triggered when a person or vehicle is detected, and when paired with Smart Motion Detection Plus, heighten your security to get notifications when a person or vehicle or a face is detected. Mask Detection is the ability to detect when a person is not wearing a mask. The voice prompt is another benefit that can be used to alert and remind non-mask wearers: "Please wear your face mask". Featuring Safeguard™, you can set up to 3 areas to keep track of items left behind or removed, such as packages or other items of value. Hear and speak directly to visitors on your property using Two-way talk through the Lorex Home™ app. Pair with a compatible Ultra HD NVR to enhance your home monitoring experience.

Clarity, Quality and Coverage

See every detail with 4K UHD definition

- 4K (8MP) Ultra HD, ensuring clear and detailed footage, every time¹
- See more with a wide-angle 108° field of view
- Superior nighttime clarity with Color Night Vision²
- Up to 150ft (46m) IR night vision in low light and 98ft (30m) in total darkness³

Security for Any Situation

Smart Deterrence features that ward off uninvited guests

- Warning light can be programmed to illuminate when a person or when a person or vehicle is detected
- Using 1 of 3 selectable, remote activated sirens to deter unwanted guests
- Built-in mic and speaker allows you to listen and speak to visitors with Two-way talk⁷
- Enhanced Two-way Talk with Quick Response Messages lets you pre-record specific messages with your own voice
- Deter unwanted guests with the remote-activated siren

Two-way Talk

Smart Motion Detection Plus

Be instantly alerted when either a person, vehicle or face is detected on your property

- Smart motion detection plus offers the option of either Face detection or Person and Vehicle Detection⁴
- By activating Face Detection with Mask Detection Technology, get notifications when a person is not wearing a mask. When automatic voice prompts enabled, the system will ask visitors to "Please wear a face mask" when masks are not detected
- Receive notifications when a person, vehicle or face is detected on your property from your Lorex Home™ app⁴

-----------------------------	---

Face Detection	Yes ⁴
Mask Detection	Yes ⁸
Safeguard	Yes - object missing or left behind
Supports in App Quick Messaging	Yes
Active Deterrence	Yes - Warning Light + Siren + Two-way Talk

Additional Specifications

Camera Housing Material	Aluminum Alloy
SD Card Slot	Yes*
Power Requirements	PoE (Power over Ethernet Class -802.3af)/12V DC
Power Consumption (max)	660mA / 9.5W
Camera Dimensions (H x Dia)	101" × 4.0" (101mm × 83mm)
Camera Weight	1.1lbs / 0.4kg
Operating Temperature	-22°F ~ 140°F / -30°C ~ 60°C
Humidity	< 95% RH
Environmental Rating	IP67 (Indoor/Outdoor)

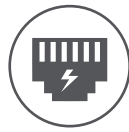

Model Information

E893DD-E	6-95529-03847-6
Configuration	4K Ultra HD IP Smart Deterrence Dome Camera
Package Type	Retail Box
Package Dimensions (W × D × H)	11.3 × 6.2 × 5.1" / 287 × 157 × 129mm
Package Weight	2.6lb / 1.1kg
Package Cube	0.20 cbf / 0.005cbm
Junction Box	Compatible with: ACJNCD3B (not included)

What's Included

4K Dome Security Camera

CAT5e Ethernet Cable*

Mounting Kit

Quick Start Guides

Disclaimers:

- Compatible with select Lorex Network Video Recorders HD recorders. For a full list of compatible recorders visit: www.lorex.com/compatibility
- Color nighttime video typically switches to black & white IR night vision when there is not sufficient ambient light to ensure optimal low-light image quality.
- Stated IR illumination range is based on ideal conditions in typical outdoor nighttime ambient lighting (up to 98ft/30m in total darkness). Actual range and image clarity depends on installation location, viewing area and light reflection/absorption.
- For Face Detection to operate, this camera requires a connection to a compatible Lorex Network Video Recorder with smart face detection technology. For a list of compatible recorders please visit: www.lorex.com/compatibility
- Audio recording is disabled by default. Audio recording without consent is illegal in certain jurisdictions. Lorex Technology does not assume liability for any use of its product that fails to conform with local laws
- Not intended for submersion in water. Installation in a sheltered location recommended.
- Cable length is dependent on product configuration. See product packaging for details.
- Mask Detection is compatible with select Lorex Network Video Recorders. For a full list of compatible recorders visit: www.lorex.com/compatibility
- * A microSD card can be inserted for independent recording. Data can be accessed through the camera using a web browser but will not upload to the NVR or to the cloud for mobile app viewing.
